Jessica and Stephen

"I had my wedding here recently after planning for 2 years! I knew straight away when I went into the Clayton that this was where I was getting married.

Everything was absolutely amazing and perfect, everything I wanted and more for my day.

On the day, the hotel staff were a credit and we couldn't fault them. Also, the wedding coordinator Eduarda was amazing, she always had me calm and if I was worried about anything said that I could email; she also gave me her number closer to the time so I could ring if I ever had any worries. She always put me at ease.

I had the best day thanks to the Clayton Galway staff and Eduarda.

Every one of my guests had the best time. The food also was amazing. On behalf of myself and my new husband, we are extremely happy and grateful that we chose Clayton Hotel Galway for the best day of our lives. We will forever be grateful. Thank you."

Gillian and Jason

"We had the best day and night in the Clayton Galway for our wedding. From beginning to end the day was magical. Everyone has said it was one of the best weddings they had been to. Everything was done so well by the Clayton Hotel. The staff were beyond helpful, and our wedding coordinator, Eduarda, couldn't have been more helpful. From day one she was so helpful with everything. You are the best. She always replied to every email and had everything so perfect on the day. So friendly and a lovely lady; we hope to get back to Clayton Galway again soon.

The food was excellent as were all the staff. I cannot recommend Clayton Hotel enough. We would not have picked anywhere else; everyone had the best day and night and we were so happy.

Thank you all so much."

"I recently had the pleasure of staying at Clayton Hotel for my wedding, and I cannot express enough how wonderful the entire experience was. From start to finish, the staff went above and beyond to ensure everything was perfect.

Every member of the team was incredibly attentive and helpful. Special mention to the wedding coordinator Eduarda who was professional and organised, and made the entire process stress-free. She is so brilliant at what she does. Leading up to the wedding, Mark was especially supportive, handling every detail with care and ensuring that our special day went smoothly. His assistance made a world of difference, and we couldn't have done it without him.

I had my day there and our second day at the hotel was just as enjoyable. The atmosphere in the bar was warm and inviting, with great music that added to the celebration. The staff continued to provide excellent service, making sure we and our guests were comfortable and happy.

I highly recommend Clayton Hotel for anyone planning a wedding or even just looking for a relaxing stay. The level of care and attention from the staff made it truly unforgettable, and I wouldn't hesitate to come back for future events or stays.

Thank you to the entire team for making our wedding day and the days surrounding it absolutely perfect!"
